Weekly Summary

22nd May : Chocolate Roll is the topic today in Banquet snack class. Teacher taught the decoration of the cake, I think she has a lot of talent in this way, and she also teaches us how to make chocolate for decorate cake. The cake from her recipes is quite tasty and a unique formula.

In the afternoon I have class with my Prof. And today we have done with 3 menu in this class, Longan boiled with white mushroom, Parboiled rice with fried chicken and ginger , Fried egg in a Xiang Bing biscuit. Xiang Bing biscuit is popularly known as “Heong Peah” in Hokkien is considered a healthy pastry due to its relatively low sugar level. The savory fillings are made from brown sugar and molasses, two well-known healthy food for the diet and health conscious. Xiang bing is also suitable for vegetarians as it does not contain eggs, onion or garlic.

At night, I have class with Dr.Wu and he teaches us about noodle again but today he teaches about how to make noodle in various shape. I think it's creative because he used the thing that all have in the kitchen, such as ; chopsticks , sieve flour to make a shape.

23rd May : Pork pie with white sesame from Dr.Wu recipe is great ! It's delicious, it has a little spicy from pepper and very fragrant. One recipe is made many pieces. Good to do for sale ! And in Western food class me and my friend have done with 4 menu on this week , Spaghetti with sea food, Lamb baked with salad dressing and cheese, Sea food soup, Boiled beef with salad. I like this subject because I can practice to decorate the dish. Food is good because of the beautiful arrangement.

24th May : This Thursday in Chinese Cuisine class, teacher teaches us about Pumpkin baked cheese with mushroom soup, Fried egg with shrimp & vegetable with tomato sauce. I love friends in this class so much because they are friendly and funny. When I talking with them I feel relax and fun. At night, I have a baking class with Dr.Sun today we make butter cupcake and I enjoyed with this class too. Dr.Sun let me make a pattern on butter cupcake it so fun and relax and Yes ! It's delicious too.

25th May : In the afternoon I take class with Dr.Sun again, today ewe make Steamed rice with pork and mushroom , Parboiled pork and rice. These two types of food is savory food. It's very fragrant and delicious and Dr.Sun teaches me about 'Anchan lemon juice'. She teaches that if you put lemon in to Anchan juice, it will be change color.

At night, I have class with Dr.Hsu in Chinese Cuisine class today hre teaches us about Boiled dumplings and Boiled pork stomach. And Dr.Hsu ask me 'How to say dumplings in Thai language. And I answer him "Kyo".

27th May : This Sunday Prof.Wang take me to somewhere that have an event about Honey, Dr.Sun teaches people compare between genuine honey and fake honey. At the event we give food to the attendees, have a salad , cake , soup , honey lemon juice, fried white noodles. There are both children and adults involved.
